# Rich environnement

St Yrieix is located in the heart of the Limoges-Brive-Perigueux triangle where the Perigord embraces the Limousin.

Whether you are a lover of **culture** or **nature**, single, a couple or a family, walkers, **food lovers** or **sporty types** St Yrieix holds many surprises for all.

In the middle of **the medieval city**, the majestic church sits high up above the town, a true gem in a cultural heartland.

There are also numerous natural treasures to discover; **explore our rivers, lakes and forests** with one or more of our guided walks. And of course, don't forget our **culinary treasures**; locally farmed beef and pork from the Black Bottomed Pig (*the Cul Noir*). Or try the famous Golden Delicious Limousin apple, our little Madeleine cakes and our wonderful chestnuts.

And the secret to the beauty of the world renowned **Limoges Porcelaine**? Kaolin Clay - discovered a few centuries ago right here in St Yrieix. Come and discover more for yourself.
